

SBC Membership Form 2017

The SHS Booster Club would like to thank you for your past support of the Booster Club and trust you will contribute again in 2017. For those who are not aware and have interest in our community efforts we encourage you to get involved by supporting us with the school's extra-curricular activities. In the past, the success of this club has been due, largely, to the generous contributions from the Shepherd community. The Booster Club is a non-profit group that supports and funds Shepherd School activities, programs and high school graduate scholarships. Your contribution will assist the club in planning a successful year and give our community the edge it needs to provide services for the school again this year.

Please make your contribution payable to:
