

# ATTENTION:

**Shepherd and Pioneer School Districts** will be holding a **Child Find Preschool Screening** for children ages 3 to 5 (who are not currently enrolled in Kindergarten). Children will be screened for:

- Social and Self-Help skills
- Speech and Language
- Motor and Thinking skills
- Health and Hearing

**When: October 21, 2020**  
**08:30 to 11:30 am**

**Where: Shepherd School**  
**Board Room**

**Call Kippi for an Appointment**  
**373-5516 opt 4 or ext 109**

It is important to perform Early Childhood Screenings in order to identify possible health and developmental challenges in young children. It is recommended to have *ALL* children screened at least a full year before they begin kindergarten. The screening can often identify deficits in advance, which can provide us the opportunity to work with the children before they enter school.
